Dear Nick

I have just spoken again with Dr Bell who asks if you have yet had advice from Richard Wright concerning the Certificate causing confusion. We believe the Agriculture Holding means tenancy in this case - please feel free to ring Dr Bell if you wish to discuss it further.

On our last application we also filled in a separate form of the authority's regarding the farm; we presume that is now superseded by the 1-APP?

Given Mr Lees' appraisal is there any special agricultural form you need completing?

Thank you so much for your assistance, it is very much appreciated.
