For the attention of James Hicks

Thank you for notifying Market Bosworth Parish Council of the above numbered planning application in respect of 139 The Park.

However, it has been brought to my attention that, according to the electoral roll, the parish of Market Bosworth includes properties up to and including 137 The Park: 139 The Park is actually in Cadeby parish.

I am therefore sending this email to Claire Evans, Cadeby Parish Clerk, for her information too.

Regards
Cathy Monkman
Parish Clerk, Market Bosworth
