Submitting your comments

By law, all comments received in response to planning and advertisement applications will form part of the application documentation and will be made available to the public. Comments should be made public, so that you can be sure that your comments will be made public. Please do not include any personally identifiable data. You do not need to include your name, email address and telephone number. Comments should be made available to the applicant or any interested party. Comments that are abusive, defamatory, libellous, obscene, fraudulent, or otherwise in breach of the law will be made available to the applicant or any interested party. Comments marked 'removed' will not be made available to the applicant or any interested party.

Removal of comments

One of the legal requirements to make comments available for public inspection is that we cannot provide anonymity or accept comments marked 'removed'. If you do not wish your comments to be published, then you must not submit them. If you do submit them, then they will be published. Comments that are abusive, defamatory, libellous, obscene, fraudulent, or otherwise in breach of the law will be removed, where appropriate they will be destroyed. Comments that include defamatory, obscene, fraudulent, or otherwise in breach of the law will be removed, where appropriate they will be destroyed. Comments that include defamatory, obscene, fraudulent, or otherwise in breach of the law will be removed, where appropriate they will be destroyed.
