### Comments Details

Dear Matt,

24/01066/FUL | Erection of 18 dwellings with associated access, car parking, landscaping and drainage | Land West Of Westfield Avenue Earl Shilton Leicestershire

Thank you for your consultation on the above planning application.

Comments:

Having reviewed the application against the Leicestershire and Rutland Historic Environment Record (HER), we can confirm that a satisfactory programme of archaeological fieldwork has been undertaken within the proposed development area. As such we do not believe the proposal will result in a significant direct or indirect impact upon the archaeological interest or setting of any known or potential heritage assets. We would therefore advise that the application warrants no further archaeological action (NPPF Section 16, para. 194-195).

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William

Kind regards
