Hi David,

I hope you are well?

Thank you for your patience, the applicant has now heard back from the previous owners and whilst they no longer have any receipts for materials, they did take some photos whilst the Barn was being constructed and these are dated, please see attached. The previous owners have confirmed the Barn was constructed in the summer of 2018 and these photos are dated in July 2018.

I hope this helps?

Regards

Simon Moore
