Dear Louise

Planning Permission 11/00197/FUL
Construction Skills Centre
Application for Discharge of Condition 6

We are instructed by North Warwickshire and Hinckley College to submit an application for the discharge of Condition 6 of permission reference 11/00197/FUL. The condition requires a Green Commuter Plan to be submitted to, and agreed in writing by, the Local Planning Authority and implemented on commencement of the approved use.

The application is being submitted on the Planning Portal. The application comprises the following:

- Application form
- Green Commuter Plan

A fee cheque made out in the sum of £85, being the requisite fee in this instance, is being sent by post under separate cover.

The Green Commuter Plan seeks to minimise the number of single occupancy car journeys, reduce car dependence and emissions and promote a shift towards more sustainable modes of travel. The Plan proposes a number of measures and targets to help achieve this aim.

A draft copy of the Green Commuter Plan was sent to Leicestershire County Council Travel Plan coordinator for comment prior to submission. The response received on 14th July 2011 indicated that no amendments would be required. The Green Commuter Plan is therefore submitted for approval.

We trust that the information submitted is sufficient to meet the requirements for Condition 6 and we look forward to receiving your confirmation that the submission element of the Condition has been discharged.

Yours sincerely

Michael Burrow
