Biodiversity Report

Ref:- 19 Reeves Road, Burbage, LE10 2SU
Proposed - Extension to the side of semi-detached house DRG. No. 4142

pp-00519608

Following our recent survey for the above application -

Access to the roof space showed that there were no bats, wildlife or any nesting birds living within the rafters.

The owner also confirmed that this had been the situation during their ownership of the property.
