Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows:

The development site is located within a mineral safeguarding area for Sand & Gravel. However, the proposed development is for reserved matters associated with granted appeal application 22/00277/OUT. As such, the proposals are covered by criterion e) of Table 4 in Policy M11 of the LMWLP. This confirms as exempt from safeguarding '*applications for reserved matters including subsequent applications after outline consent has been granted*'.
