SUMMARY RECOMMENDATION:	
No comment	
No objection (for recommended conditions or informatives- see below)	✓
Recommend Refusal	
Holding Objection - Further information required	
REASON FOR RECOMMENDATION:	
- We have reviewed 'Covering letter to application' (Pegasus Group, Jan 2026), & 'Proposed Block Plan – DWG No. 7627-03-0101' (HSSP Architects, Nov 2025). - The proposed temporary buildings will be placed on existing hardstanding and so there will be no loss of habitat. Therefore, the site is BNG exempt and we have no objection. - However, if external lighting is being proposed, light spillage should not exceed 0.5Lux on existing vegetation at the western-southwestern boundary. See lighting condition below.	
ANY RECOMMENDED CONDITIONS TO BE APPLIED:	
No external lighting shall be installed on the site until details (including luminance levels and measures to minimise light spillage) have been submitted to and approved in writing by the Local Planning Authority. External lighting shall only be installed in accordance with the approved details and shall not be replaced with any alternative lighting without the prior permission in writing of the Local Planning Authority.	
ANY RECOMMENDED INFORMATIVES TO BE APPLIED:
