

Attachment 4: Recent Photographs of site (Taken 7 February 2025 by Aitchison Raffety)

Area 1

(a) Showing main pond and summerhouse

(b) Showing mature vegetation between pond and site entrance

(c) Showing central part, with trees planted as part of garden now mature;
productive area (Area 2) also visible in background

(d) Showing central part (alternative angle)

Area 2

- (e) Showing soft fruit beds; laurel hedge dividing Areas 2 and 3 is visible in the background

- (f) Showing soft fruit beds; laurel hedge dividing Areas 2 and 3 is visible in the background

Area 3

(g) Showing grassland with laurel hedge separating Areas 2 and 3 on left hand side

(h) View northwards towards rear pond. Note the tree in foreground has now grown and bench in centre of image – see Attachment 10 to confirm its use

(i) Showing cotoneaster planting on bund
