Subject: Planning Application 24/01079/OUT Land North of Station Road Market Bosworth

Sullivan

Due to long term sickness of the Leicestershire Police Designing Out Crime Officer (DOCO), I have been asked to provide a response on behalf of the force.

Please accept our apologies for the lateness of the response and request that you take our response into consideration.

Leicestershire Police are supportive of the planning application in principle and are encouraged by the inclusion of crime and fear of crime within the D&AS (pages 11 and 71) with design proposals based upon the ACPO 'New Homes' Guidance.

To ensure that the development meets the requirements of the 'New Homes' guidance and to ensure that designing out crime is taken into consideration we request that a planning condition such as the one below is imposed.

Prior to commencement of works, written details as to how the development will achieve the Secured by Design Award shall be submitted to and approved by the authority. The development shall be carried out in accordance with the approved details and shall not be occupied or used until confirmation of that said details has been received by the authority.

Kind regards

David Lancaster DMS MASC
