Hi James

Apologies but I have determined the two applications accordingly as I am unable to hold applications open indefinitely as work loads do not allow for this.

As advised within the DN you can appeal the LPA's decision or submit a new application when the details requested are available to submit.

Kind Regards

Hi Lesley

I hope you are well and thank you for your email.

I can only apologise for the delays in us getting responses back to you. We have been juggling various other matters relating to this site including the ongoing S73 application which your colleague David Spring is dealing with, as well as other pre-occupation matters/obligations for prospective occupiers.

I understand you're keen to determine this application and application ref: 23/00571/DISCON one way or another – I've spoken with our team and we will be in a position to submit the outstanding responses/additional information requested in both applications by **Friday 10th May**. As such, I would be grateful if you could hold off determining the application – otherwise we will simply be in a position whereby we are re-submitting the applications (with the additional information) immediately after the two live applications have been determined, which will ultimately require your time and resource to progress.

I trust this is agreeable and we can keep this and application 23/00571/DISCON 'live'.

Kind regards

James Warrington
