

Proposed Agricultural Permitted Development - Assessment

Application Ref: 24/00731/AGDO

Permitted development

The carrying out on agricultural land comprised in an agricultural unit of 5 hectares or more in area of:

- (a) works for the erection, extension or alteration of a building; or**
(b) any excavation or engineering operations,

which are reasonably necessary for the purposes of agriculture within that unit.

Officer Statement on Class A eligibility and agricultural justification:

This is an application for an extension to an agricultural building to provide weather protection for animal fodder for agricultural purposes. The agricultural unit comprises an area of 145 hectares and has operated for agricultural purposes for more than 100 years.

The proposed building would measure 23.77 metres in length, 19.2 metres in breadth, with an eaves height of 4.87 metres and a ridge height of 5.48 metres. Materials comprise of open sided portal framed panels with grey fibre cement roofing.

The proposal is situated within the countryside in proximity to Shackerstone. The farm complex comprises agricultural buildings and the existing farmhouse. Open countryside surrounds the sites and gives the area its rural character. To the south is the dismantled railway and the old Shackerstone railway station. Beyond that is the Ashby de la Zouch Canal.

Shackerstone Parish Council have not commented on the application.

Development is not permitted by Class A if:

(a)	The development would be carried out on a separate parcel of land forming part of the unit which is less than 1 hectare in area	
Comment:	<i>The development will not be carried out on a separate parcel of land of more than 1 hectare.</i>	
(b)	It would consist of the erection or extension of any agricultural building on an established agricultural unit (as defined in paragraph X of Part 3 of this Schedule) where development under Class Q or S of Part 3 (changes of use) of this Schedule has been carried out within a period of 10 years ending with the date on which development under Class A(a) begins;	
Comment:	<i>No such development under Class Q or S has been carried out.</i>	
(c)	It would consist of, or include the erection, extension or alteration of a dwelling	
Comment:	<i>The development does not consist of or include the erection of, or extensions or alterations to a dwelling house.</i>	
(d)	It would involve the provision of a building, structure or works not designed for agricultural purposes	
Comment:	<i>The proposed building is designed for the purposes of agriculture.</i>	
(e)	The ground area which would be covered by:- - any works or structure (other than a fence) for accommodating livestock or any plant or machinery arising from engineering operations would exceed 1,000 square metres; or - any building erected or extended or altered by virtue of Class A, would exceed 1500 square metres, calculated as described in paragraph D.1(2)(a) of this Part;	
Comment:	<i>The proposed building would not exceed 1500 square metres and would not</i>	

	<i>accommodate livestock</i>	
(f)	The height of any part of any building, structure or works within 3 kilometers of the perimeter of an aerodrome would exceed 3 metres	
Comment:	<i>The proposed development is not within 3 kilometres of an aerodrome.</i>	
(g)	The height of any part of any building, structure or works not within 3 kilometers of the perimeter of an aerodrome would exceed 12 metres	
Comment:	<i>No part of the development would exceed 12 metres in height.</i>	
(h)	Any part of the development would be within 25 metres of a metalled part of a trunk road or classified road	
Comment:	<i>The proposed development is not located within 25 metres of a metalled part of a trunk road or classified road.</i>	
(i)	It would consist of, or include, the erection or construction of, or the carrying out of any works to, a building, structure or an excavation used or to be used for the accommodation of livestock or for the storage of slurry or sewage sludge where the building, structure or excavation is, or would be, within 400 metres of the curtilage of a protected building;	
Comment:	<i>The proposed building would not be used for the accommodation of livestock or for the storage of slurry or sewage sludge.</i>	
(j)	It would involve excavations or engineering operations on or over article 2(4) land which are connected with fish farming; or	
Comment:	<i>The proposed development does not involve excavations or engineering operations on or over article 2(4) land which are connected with fish farming.</i>	
(k)	any building for storing fuel for or waste from a biomass boiler or an anaerobic digestion system- i) would be used for storing waste not produced by that boiler or system or for storing fuel not produced on land within the unit; or ii) is or would be within 400 metres of the curtilage of a protected building.	
Comment:	<i>The proposed building will not be used for storing fuel or waste from a biomass boiler or an anaerobic digestion system</i>	
(l)	The erection or extension of a building would be carried out on land or a building that is, or is within the curtilage of, a schedule monument.	
Comment:	<i>The site is not on land that is or is within a schedule monument.</i>	
	Has another agricultural building been constructed within the last two years? (The guidance that accompanies Part 6 indicates that the calculation of the ground area should include other buildings constructed within the preceding two years. In considering the other building constructed, the development still falls within the 1000 square metre threshold).	
Comment:	<i>No agricultural buildings have been constructed within the last two years.</i>	

The proposal meets the criteria of Schedule 2, Part 6, Class A. The position of the proposal within the site is well screened from the public vantage points by boundary trees and hedges, and would be in excess of 300m from Derby Lane/Main Street to the south west. In terms of design, external appearance and siting of the proposal it is acceptable and therefore whilst prior approval is required it is granted in this case.

Equality Implications

Section 149 of the Equalities Act 2010 created the public sector equality duty. Section 149 states:-

- (1) A public authority must, in the exercise of its functions, have due regard to the need to:
- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Officers have taken this into account and given due regard to this statutory duty, and the matters specified in Section 149 of the Equalities Act 2010 in the determination of this application.

There are no known equality implications arising directly from this development.
