Subject: Residential Development (outline) off Eastwoods Road

Dear Sir,

1. I note this is an amended proposal - as an interested party why wasn't I informed before your letter dated 21/07/10 ?

2.I can find no particulars of that or the outline on the the COUNCIL Website/planning.
Please advise me where I can find them as otherwise I am unfairly barred from fair comment.

3.Obviously the amenities the residents of Eastwoods Road enjoy and pay for will be degraded

4. With only 10 days to gather and comment I trust you will expedite you answers by return e-mail.

Thank you,
Grand[parr@ntlworld.com
