Part II - Particulars of decision

In pursuance of its powers under the Town and Country Planning Act 1990, the Hinckley and Bosworth Borough Council refuses to permit the carrying out of the development referred to in Part I hereof for the following reason(s) :-

- 1 The proposed development would generate a significant number of vehicle turning movements into the site from Station Road which will require the provision of a suitable right turning lane and improved pedestrian facilities. These necessary highway improvements have not been secured by a legal agreement and without them the proposal would be detrimental to the interests of highway safety.
