Summary of Reasons for Recommendation and Relevant Development Plan Policies :

Having regard to the pattern of existing development in the area, representations received and relevant provisions of the development plan, as summarised below, it is considered that subject to compliance with the conditions attached to this permission, the proposed development results in high quality scheme that re-uses valued buildings, supports rural diversification and benefits the rural economy. Hinckley & Bosworth Borough Council Local Plan (2001):- Policies BE1, BE20, NE5, T5, Conversion of Rural Buildings Supplementary Planning Guidance.

Hinckley & Bosworth Borough Council Local Development Framework: Core Strategy (2009): - Policy 12, Policy 23.

In pursuance of its powers under the Town and Country Planning Act 1990, the Hinckley and Bosworth Borough Council grants permission for the carrying out of the development referred to in Part I hereof in accordance with the application form and plans submitted, subject to the following conditions :-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

2. The development hereby permitted shall be carried out in complete accordance with the amended details: Site and Location Plan 198/28/105/D; Proposed Elevations 198/00/103H; Proposed Floor Plan 198/00/102H received by the Local Planning Authority on 9 May 2011.

IMPORTANT - PLEASE READ THE NOTES AT THE END OF THIS DOCUMENT

3. No development shall commence until representative samples of the types and colours of materials to be used on the external elevation of the holiday cottage have been deposited with and approved in writing by the Local Planning Authority, and the scheme shall be implemented in accordance with those approved materials.

4. No occupation of the holiday cottages hereby approved, shall be permitted until car parking provision has been implemented within the curtilage in accordance with the approved plans. The parking spaces so provided shall not be obstructed and shall thereafter permanently remain available for car parking, unless otherwise agreed in writing by the Local Planning Authority.

5. No development shall commence until such time as details of the surfacing materials to the car park have been submitted to and agreed in writing by the Local Planning Authority. The car park shall then be surfaced in accordance with approved details prior to the first use of the wedding venue and shall be maintained thereafter.

6. The accommodation hereby approved shall not be used for any purposes other than short term holiday accommodation and shall not be occupied for a continuous period exceeding 28 days at any one time.

The reasons for the conditions are :-

1. To comply with the requirements of Section 51 of the Planning and Compulsory Purchase Act 2004.

2. For the avoidance of doubt and in the interests of proper planning.

3. To ensure that the development has a satisfactory external appearance to accord with Policy BE1 and NE5 of the adopted Hinckley & Bosworth Local Plan.

4. To ensure that adequate off-street parking facilities are available to accord with policy T5 of the adopted Hinckley & Bosworth Local Plan.

5. To reduce the possibility of deleterious material being deposited in the highway (loose stones etc.) to accord with Policy T5 of the adopted Hinckley & Bosworth Local Plan.

6. The development accords with Policy 23 of the Adopted Hinckley and Bosworth Core Strategy, however as the development is located in the countryside where new dwellings are not normally permitted it is necessary to prevent its use as permanent residential accommodation as this would be contrary to the requirements of PPS3, and PPS7 and Policy NE5 of the adopted Hinckley and Bosworth Local Plan.

NOTES

1. It will be most helpful if the application number shown overleaf is quoted in all correspondence.

2. If you consider that this decision has been made invalidly through the Council failing to follow a procedure correctly, not having the legal power to make the decision in the way it did or through its decision being so unreasonable as no reasonable local authority would make the same decision based on the same facts, then you may enter a claim for judicial review to quash the decision. In order to proceed with a claim for judicial review an initial application for permission will need to be made to the Administrative Court, this application is required to be made "promptly and in any event within three months of the decision". The initial permission application will decide if you have an arguable case, whether you are sufficiently materially affected by the decision to bring the claim. If you are granted permission to bring the claim it will proceed to a full hearing at the Administrative Court. Although there is no requirement for you to do so it is highly recommended that you seek independent legal advice before bringing forward a claim for Judicial Review.

3. If the applicant is aggrieved by the decision of the Local Planning Authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78 of the Town and Country Planning Act 1990 within six months (see para 2a below) of the date of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Room 305(K), Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, by telephoning 0117 372 6372 or online at www.planningportal.gov.uk/planning/appeals/). You must use a Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the appeal form you require. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that the permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements as set out in Section 78 of the Town and Country Planning Act 1990, to the provisions of the development order, and to the directions given under the order. He does not in practice refuse to entertain appeals solely because the decision by the Local Planning Authority was based on a direction given by him. Appeals- new time rules. Appeals relating to applications made to the Local Planning Authority on, or after, 5th September 2003 must be made within six months of the date of this notice.

4. If permission to develop land is granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

5. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

6. This permission covers only consent under the Town and Country Planning Acts and does not give permission to demolish a Listed Building, for which separate consent is required. Amongst other things the consent of the Council of the district in which the land is situated may be required under the Building Regulations and if the proposals affect land within the limits of the highway (that is between the highway fences or hedges) the separate consent of the Highway Authority may also be required. Steps to obtain the necessary further consents should be taken before proceeding with the development.
