Dear Kirsty,

PROPOSED EXTENSION AND ALTERATIONS
CARLTON GRANGE, CONGERSTONE LANE, CARLTON
LEICESTERSHIRE.

PLANNING REF: 09/00411/FUL

Further to a recent withdrawal of planning permission for the above development and you being a consultee on the application, we are imminently going to re-apply for permission after extensive consultations with the planning department.

As requested by the local authority we have produced a Bat survey of the effected parts of the site and enclosed this for your reference.

As you can see the main house is a summer roost for a small Bat colony and as such requires protection and monitoring measures to be undertaken as concluded within the report.

We would be grateful if you could let us have any comments regarding the report and a possible start on the extension to the roof within the next two months.

We trust the enclosed is in order, however please contact us should any further information be required

Yours sincerely
For GORDON WHITE & HOOD
