Subject: 24/00713/CONDIT Apple Orchard Farm - HBBC Conservation Officer comments

Hello,

Please find my HBBC Conservation Officer comments attached for the proposal 24/00713/CONDIT.

@Tim Hartley the majority of the details submitted for approval appear acceptable to me, but just to note I can't seem to find details regarding the timber cladding material for the car port and building 1 to satisfy condition 3, nor details regarding the new railings and gate to satisfy condition 6. Apologies if I've missed them, but if not please can the agent be asked to confirm these details.

Many thanks,

Paul Grundy
