Notes:
This drawing is to be read in conjunction with all relevant drawings and
specifications.
Do not scale from this drawing. Use figured dimensions only. All levels and
dimensions to be checked on site. All levels and dimensional discrepancies
are to be brought to the immediate attention of the Architect.
Proposed works cannot accept for alteration or deviation from
this design without prior acknowledgement of HSSP Architects Ltd.
Copyright reserved. This drawing may only be used for the client and
designer specified. It is not to be copied or reproduced in whole or in part
to any other third party without prior written consent from HSSP Architects Ltd.
Prior to any works commencing on site, the engineer is to be contacted
regarding the current status of the drawing and any changes made to the
drawing.
All work to be to the entire satisfaction of the NBBC or Local Authority not
withstanding anything shown or indicated on these drawings. All
workmanship and materials to be the best of their respective kind and of
at least equivalent of the appropriate British Standard Code of Practice. All
relevant codes of practice to be checked and verified
on site before specific areas of work are commenced.
This drawing is to be read in conjunction with clients
specification/employers requirements and structural engineers design.
