Good morning Ashleigh,

Happy New Year to you. I hope you had a good festive break.

In answer to the queries raised in your email dated 19th December:

1. Caravan owners can attend site anytime between 08:00 and 18:00. The activity to the caravan storage site is low and infrequent.
2. Maximum number of caravans stored is 100.
3. The applicants have advised that the access upgrades required by 22/00031/FUL have been completed – I note your email to say highways are going to undertake their own site visit to confirm in any event.
4. Lighting – there is some security lighting that comes on when the alarm system detects movement.
5. Pond landscaping- no additional landscaping is proposed. The pond is situated in the corner of an agricultural field with existing tree/woodland behind.
6. Site visit – the applicant is available for a site visit after 14.30 on 15th January. Please can you confirm is this booked in.

Kind regards,

Ellie
